

SINGLE FAMILY HIGHLIGHT SHEET - SASKATCHEWAN/MANITOBA

Progressive Home Warranty provides industry leading new home warranty insurance protection. Our home warranties are provided by leading national insurance companies. In addition, Progressive Home Warranty acts as the administrator to ensure that every policy is interpreted fairly.

The Progressive Home Warranty Program is designed to specifically protect new home buyers. We represent excellence and can assure you that our builders have met high standards of accountability in the areas of finance, construction and customer satisfaction.

Materials & Labour Warranty

Homes enrolled with Progressive Home Warranty will be worry free in the first year as we warrant against defects (items that do not conform with warranty standards) in workmanship and materials that may occur during the first year after completion.

Mechanical Systems Warranty

In the second year our warranty extends to the crucial mechanical systems that keep the home comfortable. Progressive Home Warranty provides coverage for any defect in materials and labour supplied for the gas, electrical, plumbing, heating, ventilation, and air conditioning delivery systems.

Foundation Water Penetration Warranty

Progressive Home Warranty provides coverage against water penetration through foundation walls that threaten the comfort and beauty of the home. The 5 year coverage term is also exclusive to Progressive Home Warranty, which is just one more reason why you should feel confident in choosing a Progressive Home Warranty Builder.

Structural Defect Warranty

Progressive Home Warranty protects the very heart of the home's structure for 10 full years to a maximum of \$60,000. It covers any defect in materials and labour that results in a failure of the load bearing components of the home or the structural damage that might result from such a failure. No other warranty offers 10 years of coverage as a minimum standard, another reason why you should choose a Progressive Home Warranty Builder.

Deposit Security Warranty up to \$25,000

Progressive Home Warranty provides coverage if the Member Builder, due to bankruptcy or other causes, cannot refund the deposit, up to a maximum of \$25,000. Applications for this optional coverage are available from your Member Builder.

Additional Living Expense Coverage up to \$6,000

Progressive Home Warranty will ensure families have a place to live if they have to move out of their home because of a structural defect, offering \$100 per day to a maximum of \$6,000 aggregated.
