- Length of Policy
- Type of Project
- Previous Insurance Claims

»» COMMERCIAL GENERAL LIABILITY INSURANCE (CGL)

Every construction project presents different risks. Not just to you, but also to your client's property which you are working on. Accidents do happen, no matter how careful we can be. CGL Insurance Coverage provides protection to businesses in the case of bodily harm or property damage during the course of business. General Liability Insurance covers a broad range of damages including:

- Bodily Injury
- Personal and Advertising Injury
- Tenant's Legal Liability
- Coverage for medical expenses

WHY SHOULD YOU HAVE CGL INSURANCE?

You may be required to have a minimum level of liability either by law or with specific contracts that require it.

General Liability Insurance protects your business from financial loss should you be liable for property damage or personal and advertising injury caused by your services, business operations or your employees.

Should you be sued, CGL also typically covers legal defense costs, regardless of the outcome of the lawsuit.

WHO NEEDS CGL INSURANCE?

Any business owner who comes into contact with many third-parties including clients, vendors and other businesses who may be involved in an accident or claim your business caused them.
